AMIDA

Accessibility statement

Version DA-2026.11
In force from 12 November 2026
Bar Nicolás

Accessibility statement

In short. We want everyone to be able to use our restaurants' websites and book a table on them. We design them to meet **level AA of the WCAG 2.2 guidelines**. If you find a barrier, write to legal@grupoamida.com or call the restaurant and we will help you another way while we fix it.

Which websites it covers

Grupo Amida Restaurantes 2025, S.L.U. works to make its restaurants' websites accessible, in line with Spanish Law 11/2023 on the accessibility requirements of certain products and services and the EN 301 549 standard:

BàrBar (barbarmallorca.com)

La Bodeguilla (la-bodeguilla.com)

Periplo Portixol (periploportixol.com)

Bar Nicolás (barnicolas.com)

Room Service (room.grupoamida.com)

Nura (nuramallorca.com)

What we have done

You can browse every page and make a booking **using only the keyboard**, with the focus always visible.

Text and buttons have a **contrast of at least 4.5:1**, and buttons and links are at least 24 pixels in size.

You can **zoom text to 200%** and use the websites on a 320-pixel-wide screen without losing content.

Images have **alternative text** in each language, or are marked as decorative.

If you have **reduced motion** switched on in your device, animations are removed.

The booking form **announces errors** and links them to their field, for screen readers.

The cookie notice can be used with a keyboard and a screen reader.

We check this with automated tests (axe and Lighthouse) and manual reviews.

What is not yet fully accessible

The **PDF menus** may not read perfectly with every screen reader. If you need the menu in another format, ask us and we will send it to you or read it to you over the phone.

Some **videos** have no subtitles or audio description.

The **deposit payment page** and the gift card shop belong to CoverManager, and maps and Instagram to those companies: their accessibility depends on them. If they cause you problems, book by phone.

Contact and complaints

If you find a barrier or need the information in another format, write to legal@grupoamida.com or call the restaurant's phone number, shown in the footer of its website. We will reply within **20 working days** at most and, in the meantime, give you the information or make your booking another way.

If you are not satisfied with our reply, you can complain to the Directorate General for Consumer Affairs of the Government of the Balearic Islands (consum.caib.es).

Date of this statement

This statement was prepared on 12 November 2026 based on our own review of the websites, and we review it every year or whenever we make a significant change.
